AMAZÓNIA ESSENCIAL

TUPAIÚ BOAT

4 CABINS | 8 PASSENGERS*

NAVIGATING THE TAPAJÓS REGION OF THE AMAZON WITH KAIARA

Navigating with KAIARA through the Amazon in Pará is all about letting yourself be gently carried along cool fresh waters across the some of the largest rivers in the world.

Each day is lived to the fullest, but we can take our time to calmly admire all the beauty of the forest. As stunning landscapes reveal themselves, the breeze brings us stories of riverside villages and communities.

From daybreak to sunset, a colorful spectacle is reflected in the vastness of the waters. River dolphins and birds accompany the boat, offering us a glimpse of the wealth of wildlife.

Unlike a sea voyage, navigating these rivers brings silence and total serenity. Get ready to experience moments of total presence, disconnection, and contemplation. Moments that awaken in us a curious sense of belonging to the mysterious world that, before boarding, we considered remote and hostile.

As the trip progresses, you will feel closer and closer to the World's greatest tropical forest.
